Here's How It Works

When you purchase a single product or multiple products on a single transaction from the qualifying product list, you will receive a cash reward (minimums/maximums apply).

Qualifying products purchased during the Promotion Period will be ranked according to number of gallons/litres purchased. Highest quantity of gallons/litres purchased will be ranked as 1, second highest, ranked as 2, etc. Highest gallons/litres purchase first in rank. The cash back reward will be calculated as follows:

Product Purchased	Rank by Gallons/litres	Payout/Gallon/litre
Product 1	1	\$.50 USD/gallon or \$.13 CAD/litre
Product 2	2	\$.75 USD/gallon or \$.20 CAD/litre
Product 3	3	\$1.00 USD/gallon or \$.26 CAD/litre
Product 4	4	\$1.00 USD/gallon or \$.26 CAD/litre

Ranked products place 3 or greater will get a maximum of \$1.00 USD per gallon/\$.26 CAD per litre cash back.

Maximum Cash Back **\$1500**

Total gallons/litres on single invoice/transaction must be 100 gallons/378 litres or more.

Only one claim per customer may be made using a single invoice as claim substantiation. Note: Same product - bulk and packaged goods ordered on the same order – but invoiced under separate cover will qualify. Maximum cash back possible during this promotion: \$1,500.00 per customer. Multiple claims per customer are NOT allowed.
